

Beginner's Package Mini 2022

The beginner's package gives you the opportunity to learn the game of golf with a qualified instructor. As soon as the golf pro has given you permission to play the course – which should be the case after four or five weeks of intensive practice – you can play on our golf course until the end of the season. The aim is to pass the course licence test.

Offer

- 10 25-minute private lessons with a qualified golf instructor
- Learn the rules and the etiquette according to the guidelines of Swiss Golf
- Rental clubs and practice balls included during the lessons
- Free use of all practice facilities
- Free play on the 18-hole course during off-peak hours (Monday to Friday, 8.00 – 10.00 and 16.00 – 19.00), after permission has been granted by the golf instructor.

The beginner's package is valid from the **1st of August till the end of season**. During the six months you will receive an individual and professional introduction to golf by one of our golf pros. As a beginner, you can already play in the 9-hole evening tournaments (almost every Wednesday) as soon as you have obtained your course licence. This gives you a first insight into the tournaments and the atmosphere of our golf club.

The beginner's package costs **CHF 990.-** per person.

Our office will be happy to provide you with further information at any time.
