Local Rule

The houses and the embedded stone on hole 16 are integral parts of the course and are not immovable obstructions.

Immovable Obstructions, Rule 16.1

Roads, benches, tee boards, bells, irrigation connections, sprinklers, fences, distance markers, directional poles, manhole covers, drainages, drainage ditches beside roads, trees with support posts.

Dropping Zones

Dropping zones have been set up at holes 11 and 14:

On hole 11, if the ball is played into the penalty area (Rule 17.1), an additional option is to drop with a penalty stroke in the designated dropping zone.

On hole 14, if the ball lies in the fen between the tee and the dropping zone, the ball must be dropped with a penalty stroke in the designated zone.

Entering and playing in the fen is prohibited!

Interruption of Play: Rule 5.7a and Note

Rule 5.7a explains the procedure to be followed when play is interrupted. In case of danger, play shall be stopped immediately after the announcement of the stoppage of play. If a player does not stop play immediately, he shall be disqualified.

A stoppage of play is signalled as follows:

a) Sirens sound 25 seconds without pause = immediate interruption of play due to imminent danger.

b) Sirens sound 2 times 6 seconds with one repetition = resumption of play

c) Sirens sound 2 times 10 seconds = definite and immediate abandonment of the game.
